Kate Brookfield x Vita Collaborations

Kate Brookfield presents this beautiful ground floor two bedroom apartment with private garden, on Compton Road, Kensal Rise NW10.

Located just moments from all local amenities, this charming home is rich in period details and has been lovingly renovated by the current owners. The highlight of the property is the gorgeous east-facing garden, featuring a seating area and hot tub set within a space of composite decking and a pergola structure with a retractable awning—perfect for much-needed shade during the summer months.

The generous main bedroom sits at the front of the home and boasts high ceilings, elegant crown moulding, a fireplace, bay window, and a beautifully panelled feature wall. The second well-proportioned double bedroom is positioned at the centre of the home, also offering high ceilings, panelled walls, and wall-mounted lighting.

A stylish shower room is finished in muted black tones with brushed brass fittings, while additional under-stairs storage adds everyday convenience. To the rear of the property, a light-filled living space with French doors opens onto the garden, complemented by a smart open-plan kitchen (reconfigured and renovated in 2026). The apartment further benefits from a lean-to storage area accessible from the garden.
