

Kenmont Gardens

COLLEGE PARK, KENSAL GREEN, LONDON NW10

£1,175,000

Kate Brookfield x Vita Collaborations present the beautiful mid terrace Victorian house, in College Park NW10.

An increasingly popular enclave of NW10, favoured for its close proximity to Kensal Rise, Notting Hill, and White City, this pretty pocket of streets continues to produce homes with exceptional style and interiors – and this is one of the best we've seen yet.

Fully extended and showcasing outstanding interior design, the house offers approximately 1,540 sq ft of beautifully arranged living space across three floors.

On the ground floor, a charming living room features high ceilings, original wooden floors, and bespoke cabinetry centred around a fireplace. At the rear, an incredibly stylish kitchen/dining room boasts a dark green shaker-style kitchen with a large island topped with a stunning piece of marble. Above the dining area, a skylight floods the space with natural light. The tiled feature wall hints at an Art Deco influence, enhanced by carefully chosen wall lights and pendant lights above the island. Double doors open onto a low-maintenance garden, surrounded by mature plants and trees offering excellent privacy.
