

Bravington Road
MAIDA HILL, LONDON W9

£499,999

An elegant one-and-a-half-bedroom maisonette with a distinctly house like feel, arranged over two floors and offering beautifully presented interiors throughout.

The home has been thoughtfully renovated with a calm and contemporary aesthetic, featuring oak flooring, bespoke joinery and carefully chosen finishes. The double-height stairwell creates a wonderful sense of space, while the gallery wall adds character and sets the tone for the rest of the home.

The heart of the home is a bright open plan living space, where the reception room and kitchen come together seamlessly. Large windows frame views of the surrounding greenery, giving the space a calm and airy feel. The principal bedroom is a spacious and well proportioned, complete with fitted wardrobes, while the additional room provides valuable flexibility, whether used as a home office, dressing room or occasional guest bedroom.

The bathroom is a standout feature, finished with Winchester Arcadian Birch tiles and centred around a handmade Parker Howley vanity with a marble top. Brass fittings and thoughtful detailing give the space a timeless feel while complementing the home's wider design aesthetic.

Perfectly positioned in Maida Vale, the property is just a short walk from both Golborne Road and Queen's Park, arguably two of West London's most vibrant neighbourhoods, known for their independent cafés, restaurants, shops and strong sense of community.
